Regions and Powers: The Structure of International Security (Cambridge Studies in International Relations) Barry Buzan, Professor Ole W'ver

Asserting that regional patterns of security are increasingly important in international politics, this study presents a detailed account of relations between global powers. It emphasizes their relationship with the regional security complexes which make up the contemporary international system. The book analyzes Africa, the Balkans, Eastern and Western Europe, East Asia, the Middle East, North America and South Asia, tracing the history of each region through the present.
