Mary Wollstonecraft Shelley

FRANKENSTEIN or The Modern Prometheus (Uncensored 1818 Edition - Wisehouse Classics) Mary Wollstonecraft Shelley

This is the *Uncensored 1818 Edition FRANKENSTEIN; OR, THE MODERN PROMETHEUS*, a novel written by the English author Mary Wollstonecraft Shelley about the young science student Victor Frankenstein, who creates a grotesque but sentient creature in an unorthodox scientific experiment. Shelley started writing the story when she was eighteen, and the novel was published when she was twenty. The first edition was published anonymously in London in 1818. Shelley's name appears on the second edition, published in France in 1823. Shelley had travelled through Europe in 1814, journeying along the river Rhine in Germany with a stop in Gernsheim which is just 17 km away from Frankenstein Castle, where, two centuries before, an alchemist was engaged in experiments. Later, she travelled in the region of Geneva (Switzerland)-where much of the story takes place-and the topic of galvanism and other similar occult ideas were themes of conversation among her companions, particularly her lover and future husband, Percy Shelley. Mary, Percy, Lord Byron, and John Polidori decided to have a competition to see who could write the best horror story. After thinking for days, Shelley dreamt about a scientist who created life and was horrified by what he had made; her dream later evolved into the novel's story.

Shelley completed her writing in May 1817, and *Frankenstein; or, The Modern Prometheus* was first published on 11 March 1818 by the small London publishing house of Lackington, Hughes, Harding, Mavor, & Jones. The second edition of *Frankenstein* was published on 11 August 1822 in two volumes (by G. and W. B. Whittaker) following the success of the stage play *Presumption; or, the Fate of Frankenstein* by Richard Brinsley Peake; this edition credited Mary Shelley as the author.

On 31 October 1831, the first "popular" edition in one volume appeared, published by Henry Colburn & Richard Bentley. This edition was heavily revised by Mary Shelley, partially because of pressure to make the story more conservative, and included a new, longer preface by her, presenting a somewhat embellished version of the genesis of the story. This edition tends to be the one most widely read now, although editions containing the original 1818 text are still published. Many scholars prefer the 1818 text, arguing that it preserves the spirit of Shelley's original publication.

Anna Humphrey:

As we know that book is an essential thing to add our know-how for everything. By a guide we can know everything we want. A book is a list of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This guide FRANKENSTEIN or The Modern Prometheus (Uncensored 1818 Edition - Wisehouse Classics) was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people have diverse feelings when they read any book. If you know how big benefit of a book, you can really feel enjoy to read a guide. In the modern era like today, many ways to get book you wanted.

Diane Welton:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore, this FRANKENSTEIN or The Modern Prometheus (Uncensored 1818 Edition - Wisehouse Classics) can make you truly feel more interested to read.
