I Really Want to Change... So, Help Me God James MacDonald

Are you truly serious about allowing the power of God to transform your life? If you are, then prepare yourself for an incredible, life-changing experience. Change is difficult, but it's made even harder without practical guidance on how to do it. You will find that guidance in *Lord, Change Me*. James MacDonald is serious about the business of change according to God's Word. While many tell us that we should change and be more like Christ, MacDonald actually teaches us how to do it. *Lord, Change Me* is split into three sections as the model for approaching change:

- The Preparation for Change: choosing the right method and partnering with God to select the areas in need of change in your life.
- The Process of Change: exploring the biblical method of saying 'no' to sinful patterns and 'yes' to the things God desires for you.
- The Power to Change: explaining how to experience the power of God personally and continuously.

This is a book about a different you. There are no warm fuzzies within these pages. Rather, MacDonald is a direct, to-the-point pastor with a heart for seeing lives completely transformed by the truth of the Gospel. If you're serious about changing your life, this book is just what you need.
