Multiple Streams of Internet Income: How Ordinary People Make Extraordinary Money Online, 2nd Edition Robert G. Allen

Following the success of the bestselling *Multiple Streams of Income*, *Multiple Streams of Internet Income* took the idea of making money on the Internet to the next level, by revealing how to deliver a marketing message faster, cheaper, and to a larger number of potential customers. This new updated edition includes the same wisdom that made Allen one of the most influential financial advisors in the world, but also features updated information on everything readers need to know.

The book features the original seven powerful methods that average people can use to make money on the Internet, and covers such topics as taking offline products online, niche marketing, successful Web-based business models, information marketing, affiliate programs, and more.

There's plenty of new material in this *Second Edition*, including coverage of new federal and state laws covering spam and how to work around much of the new anti-spam technology active on the Internet. All the Web sites and online resources featured in the book have also been updated.
