Penrod (with original illustrations) Booth Tarkington, Gordon Grant

Penrod is a collection of comic sketches by Booth Tarkington that was first published in 1914. The book follows the misadventures of Penrod Schofield, an eleven-year-old boy growing up in the pre-World War I Midwestern United States, in a similar vein to *The Adventures of Tom Sawyer*. In *Penrod*, Tarkington established characters who appeared in two further books, *Penrod and Sam* (1916) and *Penrod Jashber* (1929). The three books were published together in one volume, *Penrod: His Complete Story*, in 1931.

Penrod is family literature, suitable for children and former children. Although young adolescents are less naïve now, a century later, anyone who has been a boy or who has known a boy will enjoy this book. Male readers can perhaps look back at their own childhood and feel a twinge of nostalgia. Women may cast a speculative eye at their brothers, fathers, and grandfathers (“tell me again how you were always a good little boy, grandpa...”). A charming book, witty and laugh-out-loud funny.

"A timeless novel in the spirited tradition of *The Adventures of Tom Sawyer* and *Huckleberry Finn* One of the most popular American authors of the late nineteenth and early twentieth centuries, Pulitzer Prize winner Booth Tarkington was acclaimed for his novels set in small Midwestern towns. *Penrod* tells of a boy growing up in Indianapolis at the turn of the twentieth century. His friends and his dog accompany him on his many jaunts, from the stage as “the Child Sir Lancelot,” to the playground, to school. They make names for themselves as “bad boys” who always have the most fun. Nearly a century after it was first published to incredible popularity and acclaim, *Penrod* remains wildly funny and entertaining to adults and children alike." -- Goodreads
