Project Superhero E. Paul Zehr

****Winner of the IPPY Silver Medal for Juvenile Fiction in 2015.****

Join 13-year-old Jessie as she keeps a diary of her class's yearlong research project on superheroes, which culminates in the Superhero Slam: a head-to-head debate battle in front of the entire school. It's shy, comics-obsessed Jessie's dream come true . . . and worst nightmare. She decides to champion Batgirl, a regular person (albeit with major talent and training under her utility belt), and soon Jessie wonders what it would take to be Batgirl. Will she prove to her best friends, Cade and Audrey, that she's more than a sidekick? Can she take down archenemy Dylan at the Slam?

Combining science facts, lively illustrations, and comic-book trivia with actual correspondence from superhumans such as NYPD Sergeant Mike Bruen, Olympian Clara Hughes, and *Captain Marvel* writer Kelly Sue DeConnick, *Project Superhero* is a celebration of the heroes among us and of one girl's super-secret identity: herself.

From reader reviews:

Bobby McCabe:

What do you in relation to book? It is not important with you? Or just adding material when you really need something to explain what yours problem? How about your extra time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. They should answer that question because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need this Project Superhero to read.

James Furlow:

Nowadays reading books become more and more than want or need but also be a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the rest of the information inside the book that improve your knowledge and information. The information you get based on what kind of book you read, if you want send more knowledge just go with knowledge books but if you want sense happy read one having theme for entertaining for instance comic or novel. Often the Project Superhero is kind of guide which is giving the reader capricious experience.

Ella Hodge:

This Project Superhero is great book for you because the content which can be full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it data accurately using great arrange word or we can say no rambling sentences inside it. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but tricky core information with lovely delivering sentences. Having Project Superhero in your hand like having the world in your arm, facts in it is not ridiculous one particular. We can say that no reserve that offer you world with ten or fifteen tiny right but this guide already do that. So , it is good reading book. Hey there Mr. and Mrs. active do you still doubt this?

Doris Garcia:

In this age globalization it is important to someone to find information. The information will make you to definitely understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You will observe that now, a lot of publisher that print many kinds of book. Often the book that recommended to you is Project Superhero this publication consist a lot of the information with the condition of this world now. This book was represented how do the world has grown up. The language styles that writer use for explain it is easy to understand. The writer made some study when he makes this book. That is why this book ideal all of you.
