Systems Thinkers in Action: A Field Guide for Effective Change Leadership in Education (Leading Systemic School Improvement)

Systems Thinkers in Action: A Field Guide for Effective Change Leadership in Education (Leading Systemic School Improvement)

As a unique contribution to education, organizational dynamics, and systemic thinking, this field guide presents a grand opportunity to forefront systems thinking and to hold up to the world examples of current systemic thinking and action relating to education in a broader social and global context. Systems Thinkers in Action provides an insightful look into education in relation to a concept that has already been abuzz for a few decades in science and nearly two decades in business and therapy. This book will encourage and educate readers within the field and excite them about systemic thinking through examples and challenging ideas pertinent to education and its reform.
