Early Childhood Learning Stations 101: A Guide for Creating and Implementing Academic Learning Through Centers and Stations Andrea Chouhan

Center time is one of the most special times of the school day for young children. Sometimes Centers can be all play and no learning. Stations can sometimes become the opposite and encompass all work and no play. Learning Stations are the perfect combination of Centers and Stations - play and learning! You will find out how to create, set-up and align Learning Stations to meet the academic and developmental needs of your young learners. Learning Stations will become one of the many highlights of classroom learning and student interaction!
