As easy to execute as they are attractive, Connie Clough Eaton's splendid stained glass designs are described by *Craft Digest* as "beautiful and very inspirational." Her latest collection focuses on Victorian florals — one of the most popular subjects among stained glass artists.

Approximately 100 versatile, permission-free images — depicted in oval, rectangular, square, and round formats — are designed to embellish traditional windows, but will work equally well as patterns for fabric painting, applique work, and other craft projects.
