With an estimated 40 million Americans dealing with musculoskeletal disorders, it's likely that many of these patients will turn to you first for treatment. Now, it's easier than ever to enhance your orthopaedic knowledge and skills...so you can manage more of these problems in your practice! Noted authority Mark D. Miller, MD, together with a stellar editorial team and numerous contributors representing a breadth of specialty areas within orthopaedics and primary care, offers you the comprehensive, multidisciplinary insight you need to confidently diagnose and treat sprains, fractures, arthritis and bursitis pain, and other musculoskeletal problems, or refer them when appropriate. Videos on DVD demonstrate how to perform 29 joint injections, 7 common physical examinations, a variety of tests, and 6 splinting and casting procedures. Online, in print, and on DVD, the new Essential Orthopaedics equips you to conquer the MSK challenges you'll see more and more in everyday practice.

- Includes online access via expertconsult.com, enabling you to search the complete contents of the text, perform quick searches, and download all of the images.
- Presents multidisciplinary coverage that provides authoritative orthopaedic guidance oriented towards the practical realities of primary care practice.
- Offers videos on DVD demonstrating how to perform 29 joint injections, 7 common physical examinations, a variety of tests, and 6 splinting and casting procedures.
