Jung and Tarot: An Archetypal Journey

Sallie Nichols

Jung and Tarot: An Archetypal Journey Sallie Nichols

Highly innovative work presenting a piercing interpretation of the tarot in terms of Jungian psychology. Through analogy with the humanities, mythology and the graphic arts, the significance of the cards is related to personal growth and individuation. The major arcana becomes a map of life, and the hero's journey becomes something that each individual can relate to the symbolism of the cards and therefore to the personal life.
