Negro Wars - A Short And Critical Examination Of The Modern Day Black Woman: The Destroyer Of The Black Community And The Cause Of The Up And Coming Civil Battle Babatunde Umanah

Negro wars dares to go where few others have the courage to tread. Babatunde undertakes a critical examination of the modern day western black woman, the only individual who has yet to be examined in determining the cause behind the destruction of the black community. In scrutinising the evidence presented Babatunde declares the findings which demonstrate beyond any doubt that the modern day western black female has been the cause behind the destruction of the black community for the past 50 years. Babatunde also examines some of the decadent, dysfunctional and reprobate practices that black women have adopted as part of their conspiratorial operation to keep black society perpetually broken. NEGRO WARS is a must read for anybody who wishes to understand the mind of the modern day black woman, who she truly is and who she truly stands for.
