A Matter of Time Story

After years of domestic partnership, Jory Harcourt and Sam Kage are finally going to make it official in their home state of Illinois. It's been a long and rocky road, and nothing—not disasters at work, not the weather, not a possible stalker, not even getting beat up and having to attend the ceremony looking like he just got mugged—will make Jory wait one more day to make an honest man of the love of his life.

Should be a piece of cake, right?
