The Banking Effect: Acquiring wealth through your own Private Banking System. Dan Thompson
After writing "Discovering Hidden Treasures" I was asked for a follow up book which would go into greater detail as to how anyone could adopt the banking system concept into their financial situation. This book will walk you step by step on how to create the banking system for you and your family. In addition it will give examples and justification as to why creating your own banking system may be the simplest and most powerful way to accumulate wealth. When finished, the reader should be able to have a firm grasp on the process and see the benefits of implementing it in their financial lives.
