Cedar Cove, Washington

Dear Reader,

Believe it or not, we have another mystery in Cedar Cove! This one, ironically enough, involves the McAfees—Roy, who's a private investigator, and his wife, Corrie. They've been receiving anonymous postcards and messages asking if they "regret the past." Corrie says she has no idea what any of it means....

On a more positive note, they're both delighted that their daughter, Linnette, has moved to Cedar Cove to work at the new medical clinic. And when Corrie attended the humane society's "Dog and Bachelor Auction," she bought Linnette a date with Cal Washburn, who works at Cliff Harding's horse farm. Unfortunately, Linnette seems less enthusiastic about this than Corrie is.

Speaking of Cliff, the romance between him and Grace Sherman is back on. But that's only one of the many interesting stories here in town. Corrie's invited you and me for a coffee at the McAfee house—that's 50 Harbor Street—and we'll tell you everything we know!

Olivia
