Collaborating with Administrators and Educational Support Staff (Best Practices for School Library Media Professionals) (Best Practices for School Library ... for School Library Media Professionals)

Lesley S. J. Farmer

You stand at the hub of today's learning community, working with students and teachers across all curricula, at all grade and ability levels, and across all subjects. This unique new resource gives you proven, practical techniques and strategies for reaching out to faculty and students...and then goes further to give successful collaboration ideas for working with educational service providers, such as reading specialists, special education teachers, counselors, technology staff, and principals and other administrators. Farmer outlines the fundamentals of collaboration, tips for working with multiple levels of administrators, and techniques for assessing the effects of collaboration on student success. Become a collaborative leader with this must-have resource.
