Flowers With Wings (Butterfly Photographic Series Book 1) Deborah Carney

Butterflies have always fascinated photographers and writers Deborah Carney and Vinny O'Hare. In this book they share the first in a series of books featuring their photographs of butterflies with quotes, proverbs and poetry about butterflies. In addition to a quote or poem on each page, the butterfly is also identified.

Readers appreciate seeing all the different varieties and knowing what they are. This is a fun book to share with young people to help them to appreciate the beauty of butterflies and nature.

A Butterfly Lights Beside Us

A butterfly lights beside us, like a sunbeam...
and for a brief moment it's glory
and beauty belong to our world...
but then it flies on again, and although
we wish it could have stayed,
we are so thankful to have seen it at all.
~ Author Unknown

All our butterfly photographs are taken of live butterflies in the wild or in sanctioned butterfly conservatories.

This book has full color images that will be in color on Kindle apps for devices, and on the Kindle Fire. They also will look great in black and white on Kindles that don't support color.
