Psychotherapist Kate Huntington helps other people cope with the horrible things that have happened to them, but she herself has led a charmed life... until now. When a series of what seem like random events—a matter of being in the wrong place at the wrong time—takes a sinister twist, it becomes apparent that she and her lawyer friend, Rob Franklin, have a common enemy. But the lead police detective has a different theory. He's convinced Kate and Rob are lovers attempting to eliminate their spouses. And he seems determined to build a case against them.

As the attacks escalate, Kate and Rob are forced to investigate on their own. Who hates them enough to want them both dead? And doesn't seem to mind if others get caught in the crossfire!
