Songs of Earth And Power

Greg Bear

Songs of Earth And Power Greg Bear

The Song of Power opened the gateway to the Realm of the Sidhe, allowing young Michael Perrin to slip through. Now Michael faces years of captivity and deadly struggles for the future of the Realm and of Earth-leading finally to a terrible confrontation on the streets of Los Angeles, with the soul of humanity at stake.

Weaving the power of music, poetry, and myth into a headlong narrative of nearly overwhelming intensity, *Song of Earth and Power* is one of the most original fantasy epics of our time, a vast tapestry of relentless suspense, terrible beauty, and brilliant imagination. Originally published years ago in two parts, it now returns in a new edition rewritten by the author and published in a single volume as he originally intended. Wrote *Analog* on its original appearance: "A delight....A vision of Faery that may owe a bit to a wish to do it right. Read it."
