Beginnings & Beyond: Foundations in Early Childhood Education Ann Miles Gordon, Kathryn Williams Browne

Beginnings & Beyond, 7e is an introductory text that has stood the test of time with the ability to respect all learners, while introducing them to the wide range of content areas needed to understand early childhood education. Students find that the book is useful to them over time, and well into their professional life. As teachers, former students return to the chapters on guidance, observation & assessment, and curriculum as they grow in their work with children. Thus, this is an excellent book for a foundations course, for a curriculum course, and as a reference for teachers both at the beginning level, and beyond as a seasoned teacher in their career
