Children's Wear Fashion Illustration Resource Book is a practical aid for fashion drawing. There are 40 figure drawing templates for 4 different age groups, complemented with multiple sketches and illustrations. All figures are shown in front, back, three-quarter and side views. The book is very visual - you can see the main steps of the drawing process for each illustration. There is no text in the book other than captions, a short introduction and a brief summary. The book is designed to be a visual aid for fashion illustration of children's wear. Figure templates, raw sketches and accomplished fashion illustration is the main content of the book. The book is very instructive and practical. Sketches are created from the templates and turned into finished illustrations. All drawings are made with simple pencil only. Roughness and sketchiness of these drawings is carefully preserved. Trace a template from the book and draw fashion sketches with the template. Fashion sketching with the book is less stressful and tends to smooth the designer's workflow. Drawing children's fashion illustration becomes fun and accurate when using Children's Wear Fashion Illustration Resource Book.
