Diva Alex Flinn

In *Diva*, the companion to Alex Flinn's YA novel *Breathing Under Water*, Caitlin is dealing with a lot. She's living through the aftermath of an abusive relationship, she has a youth-obsessed mother who just doesn't understand her, and she's on a constant yo-yo diet to live up the standards of her nitpicking friends.

All Caitlin wants is to escape her not-so-glamorous life and pursue her dream of becoming a singer, but when she's accepted into the Miami High School of the Arts, her life doesn't magically become perfect. Yet despite some struggles to keep up with her competitive classmates and the distraction of cute new crush, Caitlin never loses her sense of humor and eventually gains the confidence to achieve her goals.

Perfect for fans of such books as Carolyn Mackler's *The Earth, My Butt, and Other Big Round Things*.

From reader reviews:

Theodore May:

Information is provisions for those to get better life, information today can get by anyone from everywhere. The information can be a knowledge or any news even a problem. What people must be consider whenever those information which is within the former life are challenging to be find than now is taking seriously which one is suitable to believe or which one typically the resource are convinced. If you get the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Diva as the daily resource information.

Frank Craver:

Reading a e-book can be one of a lot of action that everyone in the world enjoys. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a publication will give you a lot of new info. When you read a reserve you will get new information mainly because book is one of various ways to share the information or perhaps their idea. Second, looking at a book will make anyone more imaginative. When you reading through a book especially hype book the author will bring you to definitely imagine the story how the characters do it anything. Third, you may share your knowledge to some others. When you read this Diva, you could tells your family, friends as well as soon about yours e-book. Your knowledge can inspire the others, make them reading a e-book.

Manuel Arndt:

As we know that book is significant thing to add our knowledge for everything. By a publication we can know everything we want. A book is a set of written, printed, illustrated or even blank sheet. Every year seemed to be exactly added. This guide Diva was filled concerning science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has distinct feel when they reading a new book. If you know how big advantage of a book, you can sense enjoy to read a reserve. In the modern era like currently, many ways to get book you wanted.

Patricia Humes:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's internal or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Diva can make you feel more interested to read.
