## **How to Determine the Sex of Your Baby: Fun Ways to Try to Predict the Sex of Your Unborn Baby**

Simone McGrath

Having a baby is one of the most exciting times in a couple's life. However, the nine months it takes to find out if you are having a boy or girl can be frustrating and agonizing. Today's ultrasound technology can make gender determination easier, assuming the little one is in the mood to help you out! However, if your baby decides to be shy or is in an awkward position it can be difficult to determine if your new bundle of joy will be a male or female.

The following book provides several fun ways to try to determine the sex of your baby. Most are based on myths and old wives tales that have been passed down from generation to generation. While the only way to be 100 percent certain of the baby's sex is to give birth, hopefully these legends will give you something to do while you await the blessed occasion.
