Learn to Read Greek is a text and workbook for students beginning the study of Ancient Greek. It is the companion volume to the authors' *Learn to Read Latin*, published in 2004. Like its Latin predecessor, it has a grammar-based approach and is intended for students who have a serious interest in learning the language.

The text and workbook include carefully chosen vocabularies and extensive vocabulary notes; clear and complete presentations of all necessary morphology and syntax; large numbers of drills and drill sentences; and abundant unabridged passages from a variety of Greek authors and texts.
