I Don't Want To Be Crazy Samantha Schutz

A harrowing, remarkable poetry memoir about one girl's struggle with anxiety disorder.

This is a true story of growing up, breaking down, and coming to grips with a psychological disorder. When Samantha Schutz first left home for college, she was excited by the possibilities -- freedom from parents, freedom from a boyfriend who was reckless with her affections, freedom from the person she was supposed to be. At first, she revelled in the independence ... but as pressures increased , she began to suffer anxiety attacks that would leave her mentally shaken and physically incapacitated. Thus began a hard road of discovery and coping, powerfully rendered in this poetry memoir.
