Brown's Boundary Control and Legal Principles Walter G. Robillard, Donald A. Wilson

The new edition of *Brown's Boundary Control and Legal Principles* has been updated to reflect ongoing changes in surveying technology and surveying law, notably by adding water boundary expert George Cole as a contributor to revamp information on Riparian and Littorial Boundaries. Additionally, a new appendix has been introduced containing a comprehensive list of surveying books that have been referenced in court cases and legal decisions as persuasive authority over the years. It is indispensable reading for students and practitioners studying for the Fundamentals of Land Surveying licensure exam.
