Sacred (read by Robert Lawrence, directed by J.C. Howe, engineered by Kim King) Dying billionaire Trevor Stone hires Boston private detectives Patrick Kenzie and Angela Gennaro to find his missing daughter. Grief-stricken over the death of her mother and the impending death of her father, Desiree Stone has been missing for three weeks. So has the first investigator hired to find her: Jay Becker, Patrick's mentor. Gone Baby Gone (read by Robert Lawrence, directed by Bill Weideman, engineered by Jeremy Spanos) Boston PIs Patrick Kenzie and Angela Gennaro have been hired to find a six-year-old girl who vanished from her home without a trace. Despite enormous public attention, extensive news coverage, and dogged police work, the investigation has gone nowhere. But it's a case rife with sinister circumstances: a strangely indifferent mother, a pedophile couple, a bizarre subculture of homeless parents, and a shadowy police unit with a covert agenda and no qualms about enforcing it. Prayers for Rain (read by Thomas J.S. Brown, directed by Sandra Burr, engineered by Jill Sovis) Boston private investigators Patrick Kenzie and Angela Gennaro's relationship has hit the skids. But despite their problems, they join forces to close down a predator whose modus operandi seems to put him beyond the law. This killer's insidious murder weapon is within his victim's mind: no smoking gun, no bloody knife, just merciless manipulation that drives his targets to kill themselves.
