Real Life Retirement will challenge you to think through your dreams for the future and the plan you have in place to help those dreams come true. You are living a real life so you need a retirement plan that works in real life. You have worked hard to establish your career. You have dreams of what you hope to do during your retirement years. There are people in your life who are important to you. You would like to spend time with them and help them out as much as you can. These things don't just happen magically, however. You need a plan that will grow and provide for you in real life. Real Life Retirement will help you move your dreams to reality. You will find the information in this book helpful if you have ever asked yourself . . . • How much money will I need to retire? • What is the best way for me to prepare for retirement? • How do I find an adviser who will tell me the truth and help me plan effectively? • How do I avoid the typical mistakes people make? • What questions should I be asking to build confidence in my financial plan? Dana Dunkelberger approaches retirement planning with the same intense focus he has applied to life from his days as a professional water-skier to the development of a financial services company. He is a certified insurance and investing specialist who believes it is best to tell people the truth when it comes to their money. Let Dana help you get started today building a retirement plan that works in real life!
