Fifty Shades of Grey: A Graham Cracker Christmas, Even Stranger Days E L Balliet

Welcome to THE best-selling second book in the trilogy of Fifty Shades of Grey, The Strange Days Parodies! Like its predecessor, it is a work of fiction in its entirety, and is written as a parody and spoof of the novel Fifty Shades of Grey, and is not meant to infringe upon the superb art of E L James in any way. What it is meant to do is to tickle your considerable digit, wherever it may be, just like the antics of Graham Cracker in the best-selling parody and first book of this trilogy, The Strange Days Parodies. For those of you not familiar with the antics of Graham Cracker, aka the Laundry Man of the Bronx, in The Strange Days Parodies, he is a slightly disturbed Christian Grey, who likes to make the children laugh in the strange, hectic days of the holiday season leading to Christmas. A Graham Cracker Christmas: Even Stranger Days, begins where Graham Cracker, The Laundry Man of the Bronx stops.

While composing this second book in the trilogy, like the adventures of Graham Cracker, the Laundry Man of the Bronx, I have giggled myself another Fifty Shades. So welcome, come on in, pour yourself a glass of the strongest Irish whiskey you can find, or, if you're a lightweight, a cup of tea, then relax, sit back, and enjoy this twisted little tale and second book in the trilogy. And please, after you're finished, be sure to be on the lookout for the third book in this series, coming out shortly! In these joyful days of the holiday season known as Christmas, it just might be the strangest story you ever read. Kisses and Winks. ;)
