He's hard and horny, she's wet and ready...and more than twice his age.

John always thought that once he got to college, he'd get laid left and right. But in his second year, he's still facing rejection from the waif-thin, flat-chested women he's barely attracted to anyway. The **curvy older women** who really get him going are **so off-limits, so forbidden**, he hardly wants to admit it to himself...

He wants a real woman — **huge, swinging breasts, older and experienced**, who knows what to do with him when he's **rock-hard**....Someone like his mom's best friend, Lindsay. But when he catches Lindsay in a **compromising position**, he never expects that he'll actually get his wish — or that his **first time** could be so explosive and raw. But John and Lindsay aren't the only ones home, and they'll have to be careful not to get caught. **Is it worth risking everything for Lindsay's warm, wet hole and to fill her up unprotected?**

This is an explicit short story of one college student's fantasies come to life, and is intended only for those 18 and up.
