What Is Love? A Path In Discovering the Vibrational Energy of True Love John Kendrick

"What is love" was the most searched phrase on Google in 2012* and the second most searched phrase in the UK in 2013** and even though we can be told 'love conquers all', it can move mountains, make the world go around and many people settle for love within their relationships, these facts alone, strongly suggest many people are simply confused about love; its existence and meaning. Compounded by the ubiquity of family breakdown, heartache, misery and much negativity in the world we live in, it is undeniable that love's credibility is certainly questionable - for in a world of so much love how can there be so much sorrow?

But what of True Love? Its mere 'existence' implies that although many other kinds of love exist in the world, these kinds of love are simply false: True Love is the truest kind of love to ever exist. So until we come to know True Love and understand it within our own lives, only then can we give it the prominence and credence it so deserves.

'What is Love? A Path In Discovering the Vibrational Energy of True Love' invites the reader to begin a thought-provoking journey of discovery that dispels any confusion surrounding the idea of love and places a unique interpretation of True Love at the very heart and soul of human existence. Examining the real essence of True Love in the context of vibrational energy ensures we can gain a complete understanding of True Love within society, the many interactions we have with other people and within the close relationships we have. Moreover, through these wonderful and provocative pages we can be elevated into a position where we can clearly see through the negativity of life and discover, or even rediscover the most elusive quality many are so desperate to find, True Love.
