## Wolf Warriors: The National Wolfwatcher Coalition Anthology

Wolves have terrified and mystified us, their howls echoing through the words of our fairy tales, the texts of our stories, and the deepest crevices of our imaginations. Wolf Warriors presents a diverse collection of artwork, poetry, essays, and short stories, featuring bestselling author David Clement-Davies and award-winning artist Lauren Strohacker. This anthology captures the various faces of the wolf: from the fantastic to the horrific, from the snow-capped mountain peaks to the moonlit lake in the trees. The howls of these warriors will make you smile, make you cry, and, most of all, make you want to raise your own howl to join the chorus. Featuring best-selling author David Clement-Davies and award-winning artist Lauren Strohacker. Also including: Catherynne Valente, Adrian Lilly, Dominique Goodall, John Noland, Linda Palmer, Pierluigi Paviola, Shannon Barnsley, and more!
