Black American Short Stories (American Century Series)

Black American Short Stories (American Century Series)

The success of John Henrik Clarke's *American Negro Short Stories*, first published in 1966, affirmed the vitality and importance of black fiction. Now this expanded edition of that best-selling book, with a new title, offers the reader thirty-one stories included in the original?from Charles W. Chesnutt and Paul Laurence Dunbar in the late nineteenth century to the rich and productive work of the Harlem Renaissance: writers like Zora Neale Hurston, Langston Hughes, and Richard Wright; the World War II accomplishments of Chester Himes, Frank Yerby, and many others; and the later fiction of James Baldwin, Paule Marshall, and LeRoi Jones (Imamu Amiri Baraka). Seven additional contributions round out a century of great stories with the work of Maya Angelou, Toni Cade Bambara, Eugenia Collier, Jennifer Jordan, James Allan McPherson, Rosemarie Robotham, and Alice Walker. Dr. Clarke has included a new introduction to this 1993 edition, and a short biography of each contributor.
