"Herman Melville"

Moby Dick "Herman Melville"

Moby Dick, written by Herman Melville, is one of the greatest American novels. Ishmael, a young man from Manhattan, is fond of adventures and sea. He decides that his next voyage would be in a whaleship instead of current merchant marine. He soon boards Pequod, a whaleship, whose captain Ahab has only one purpose in life – to avenge a sperm whale named Moby Dick that had crippled him on his last voyage. The ship braves ominous predictions, skeptical crew, rough weather and discouragement of other captains to chase Moby Dick. Read this great classic to know if Ahab manages to take his revenge and at what cost.
