**Finally—A Pregnancy Book That Won't Put Men to Sleep**

*My Boys Can Swim!* tells real men everything they really want to know about pregnancy, such as: How much is it going to cost? Why does your wife primp before seeing her doctor when she hasn't put a stitch of make-up on for you in months? And, most important, what's it going to do to your sex life?

This rollicking, laugh-out-loud book is for expectant dads in search of bottom-line pregnancy information, without all that boring touchy-feely stuff you find in those books written for women. Inside you'll discover helpful—and hilarious—information and insights on such topics as:

**The Maternity Wardrobe:** "A key part of the maternity wardrobe is maternity underwear—parachute-like undies big enough to fit an NFL defensive lineman."

**Baby Names:** "Don't give your kids mockable names like Thaddeus, which is Greek for 'I'm a dork and should be beaten up.'"

**The Birth:** "No one told me it's normal that babies' heads can be misshapen at birth. I was convinced that my wife gave birth to Veldar, the conehead."
