## **The Pocket Tao Reader (Vademecum)** Eva Wong

"The Tao that can be spoken of is not the real Way" reads a famous line from the *Tao-te Ching*. But although the Tao cannot be described in words, words can convey a fleeting glimpse of that mysterious source of life. Here, in miniature, is a beginner's entrée into the vast treasury of the Taoist canon: the shamanic songs that are the roots of Taoism; the *Tao-te Ching*, *Chuang-tzu*, and *Lieh-tzu*; stories of Taoist immortals and magicians, and guidelines on meditation and methods of longevity. This is an abridgement of Eva Wong's *Teachings of the Tao*.
